

Jakobi Baret

CYBERSECURITY / IT SUPPORT / NETWORKING

Rhode Island | jakobi.j.baret@gmail.com

github.com/JakobiB123 | linkedin.com/in/jakobibaret

Cybersecurity and IT student with hands-on experience in school technology support, computer hardware, networking, and practical projects. Brings a dependable work ethic developed across technical support, nursery operations, and landscaping crews.

EXPERIENCE

Student IT Technician

Warwick Public Schools

2024 - Present

Support students and staff with devices, logins, printers, and classroom technology. Set up and maintain laptops, desktops, and school equipment. Troubleshoot technical issues and contribute to repairs and equipment projects.

Nursery & Landscaping Crew Member

Hattoy's Nursery & Landscaping

2026 - Present

Worked full-time during the summer and continue part-time while attending school. Organize plant inventory and maintain nursery areas. Assist with planting, plant removal, mulching, weeding, hand pruning, and cleanup on maintenance and trimming crews.

SELECTED PROJECTS

Esports Streaming Control Station: Built a centralized station connecting eight Nintendo Switches and computers using fiber optic HDMI for long-distance video.

Switch Configuration & VLANs: Configured switch settings, created VLANs, and tested traffic segmentation.

Alienware Cooling Repair: Diagnosed a failed AIO cooler, replaced it, and applied fresh thermal paste to restore stable performance.

Memory & Storage Upgrade: Upgraded a computer from 16GB to 32GB of RAM and added a 1TB hard drive.

Jumbotron Site Check: Assisted with wiring checks and a location review for a proposed display installation.

EDUCATION & SKILLS

Warwick Area Career & Technical Center / Toll Gate High School

Cybersecurity & IT Pathway | Class of 2027

Core skills: Windows support, Linux / Kali labs, PC diagnostics and repair, switch configuration, VLANs, Ethernet cabling, device setup, and technical documentation.

CERTIFICATIONS & COURSEWORK

CompTIA: Network+, ITF+ **TestOut:** PC Pro, Client Pro **Safety:** OSHA 10

Cisco: Introduction to Cybersecurity; Networking Basics; Networking Devices; Endpoint Security; Network Defense; Cyber Threat Management; Junior Cybersecurity Analyst Career Path; Computer Hardware Basics; Using Computer & Mobile Devices; Introduction to Modern AI.
